

2016 Stewardship Team Covenant

We, the members of the Stewardship Team at Cedar Lane Unitarian Universalist Church, covenant to bring our best selves to helping the congregation achieve its vision, its dreams, and its hopes for what Cedar Lane can do and be in the world.

We will:

- work collegially with our ministers and staff.
- involve other Cedar Lane members and friends.
- Work together with energy and respect, as we become learners and teachers, planners and doers ("plooers), leaders and followers.
- cheer on and support each other and the congregation.
- pitch in and take responsibility.
- keep privileged information confidential
- listen and respond thoughtfully and not talk over one another.
- be a welcoming presence in the congregation. Express thanks.
- foster within the congregation support of our mission through their gifts of time, talent and treasure.
- create within the congregation greater awareness of the life-changing work that our vital religious community does—and can do--- through the charitable investment members make, large and small.
- take time each day to be grateful.
- have fun, work hard and play well together.
- Get some sleep.
